MADE IN THE USA

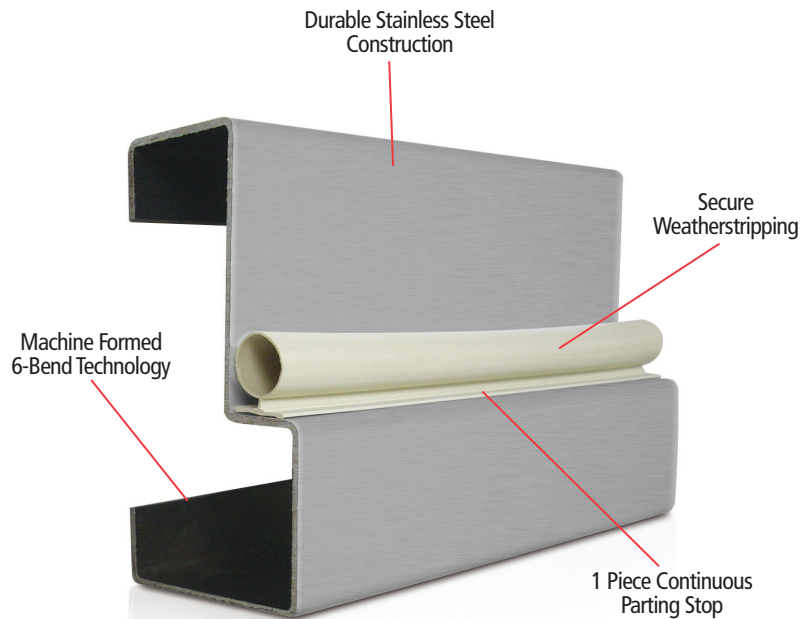

RESPONDER DOOR™

Smooth skin stainless steel panel prehung in a 16 ga stainless steel frame with three 12 ga stainless steel, 4" x 4-1/2" fixed pin hinges.

Features & Benefits

- Prehung, outswing insulated door leaf.
- 1-3/4" thick door pressure injected with polyurethane foam - R11 insulation value.
- 24 ga stainless steel exterior - cakepan panel for style, strength, and corrosion resistance.
- Door header is precision folded 16 ga stainless steel.
- Sill is a low profile design fabricated from stainless steel.
- Door is prepped for lockset by boring a 2-1/8" diameter hole with a 2-3/4" backset and a 1" edge bore.
- Door panel is strengthened with a C-Channel at the location for entry lock.
- Surface mounted sweep on exterior of door panel.
- Frame jamb is fabricated of 16 ga stainless steel.
- Door is mounted to the frame by three, 12 ga stainless steel, 4" x 4-1/2" fixed pin hinges.
- Master frame is weatherstripped with bulb gasket.
- Master frame is shipped completely assembled with hinges and door attached.
- Each door is securely packaged in a corrugated carton.

All Responder Doors™ backed with accutrac™ by A. J.:

- 100% order confirmation
- Daily shipment notification
- Online tracking of open and shipped orders

Panel Options

- Standard panel, no lite.
- 22" x 22" Vue Lite insulated or single-glazed tempered glass.
- 22" x 36" 1-Lite insulated tempered glass.
- Aluminum lite frame standard.
- Optional stainless steel lite frame available.

Warranty

A. J.'s SST Responder Door™ is designed and manufactured with quality materials and workmanship. The 5 year warranty applies to defective materials or workmanship. The warranty commences from the date of manufacture. At A. J.'s discretion, replacement or repair of product will be provided. Expenses associated with transportation and installation costs are at the owner's expense.

It is the responsibility of the building designer, contractor and building designer to understand and confirm to their satisfaction, the limitations of 304 and 316 stainless steel and appropriate application of stainless steel doors supplied by A.J. Manufacturing, Inc.
